### — PLEASE NOTE —

Several of the lots (901 thru 920) are AMC, NHC or CAC. Also those animals that are potential carries are listed as AMP, NHP, and CAP. We have had several requests from customers wanting to utilize this great set of females as registered recipis, and thus we are offering them in packages of three with the opportunity to purchase choice one time. The calves are pending registration following AM and NH test results which are not yet available at this time.

Stocker-Feeder Auction, November 11, 2010  
Stockman-Oklahoma, Apache, OK - Noon

*Held in conjunction with Regular Thursday Sale*

- With the industry push to Source Identify and Maximize Quality, an Express-sired calf sale fills a niche on both fronts, not to mention the draw of genetic predictability!
- In cooperation with Stockman-Oklahoma Marketing Inc., we are offering an exclusive sale date for "Express Genetics."
- Selling yearlings to calves, all Express-sired.
